

The Science of God and its Power to Restore Us

A Talk on Christian Science

How does science relate to God and is there a science that explains God? Nikki will address these questions and show how the Science of God explains Jesus' healings, and teachings, makes God knowable and understandable, and provides humanity with a safe and reliable means for caring for ourselves and each other.

SATURDAY, 27TH JUNE
at 3:00 p.m.

Nikki O'Hagan, CS
